KEY INGREDIENTS (per kg)

Biotin 250mg, Gelatin 33.3g, Sulphur 66.65g, Methionine 143.3g, Choline 3.4g, Zinc 120mg, Magnesium 82.35g, Methyl Sulfonyl Methane 20g

FEATURES & BENEFITS

- Supplies daily biotin requirement (15mg) per 60g scoop. Biotin is a water-soluble B-group vitamin which requires daily supplementation.
- Supplies a combination of Zinc, Methionine, Sulphur, Choline, Magnesium, Gelatin, and MSM to promote strong healthy hooves.
- Help to promote hoof wall growth and regeneration.
- May help to reduce tender soles and promote strong, healthier hoof soles.
- This product is suitable for use on a variety of hoof-associated defects such as cracked walls, contracted heels, thin soles, bruised soles, seedy toes, split frogs, laminitis and dry, shelly feet.

DIRECTIONS FOR USE:

Mix Hoof Food PELLET[®] thoroughly into the horse's feed.
Daily use is necessary to maintain effect.

DOSAGE RATES:

Initial dose 60g daily;
Maintenance 30g daily;
Pregnant mares (last trimester) 120g daily.
